Defendants, Richard K. Bawuah and Cowan Equipment Leasing, by and through their counsel, Rawle & Henderson LLP, hereby submit this memorandum of law in support of their motion to preclude plaintiff from introducing any evidence to support a lost wage claim, as follows:

I. FACTS:

Plaintiff filed suit in this matter on or about November 9, 2007 in the United States District Court for The Southern District of New York. Defendants filed an Answer with Affirmative Defenses with the United States District Court for The Southern District of New York, on or about December 14, 2007.

This action arises out of a motor vehicle accident that occurred on the eastbound, Upper Level of the George Washington Bridge at 12:40 a.m. on Monday, May 9, 2007.

As a result of the accident, plaintiff is asserting a past and future wage loss claim. Specifically, in her deposition, she alleges that she has not been able to return to her pre-accident employment since the accident and continuing into the future. (see, plaintiff's deposition transcript at page 25, attached hereto as Exhibit "A").

Although plaintiff did not include a allegations within her Civil Action Petition specifically alleging lost earnings, she provided an Affidavit in Support thereof alleging “since the date of said injury, I have been unable to work and unable to perform many of my normal daily activities”. (see, plaintiff’s Civil Action Petition and Affidavit in Support, attached hereto as Exhibit “B”).

Plaintiff has not provided any support for her wage loss claim, in the form of a medical expert report, vocational expert report or economist report prior to the June 15, 2008 deadline for the service of all expert reports.

Further, at the June 10, 2008 status conference before Your Honor, plaintiff’s counsel represented to the Court that he did not require any extensions of the expert deadlines.

Therefore, defendants request that plaintiff be barred from introducing any evidence regarding her alleged wage loss claim at trial.

II. LEGAL ARGUMENT:

Federal Rule of Civil Procedure 26(a)(1)(A)(ii) requires the parties to disclose a copy of all documents that the disclosing party has in its possession, custody or control and may use to support its claims or defenses.

Federal Rule of Civil Procedure 37(c)(1) states that if a party fails to provide information as required by Rule 26(a), the party is not allowed to use that information to supply evidence on a motion, at a hearing, or at trial, unless the failure was substantially justified or is harmless.

Since plaintiff has failed to produce any support for the alleged wage loss claim, plaintiff should be precluded from introducing any support for this claim at trial. *See* F.R.C.P. 37(c)(1); *see also Design Strategy v. Davis*, 469 F.3d 284, 295-296 (2d Cir. 2006).

In *Design Strategy, supra*, the plaintiff failed to disclose the calculation of their damages of lost profits and the damages in support of that calculation. *See Design Strategy, supra* at 2695-296. The Court upheld the sanction under F.R.C.P. 37(c)(1) to preclude the plaintiff from introducing such evidence.

Likewise, in this case, plaintiff cannot demonstrate any proof that she has sustained, or will sustain, a loss of future wages, as no records to support same have ever been produced by the plaintiff.

Trial is scheduled to begin on August 6, 2008. Defendants will be severely prejudiced if plaintiffs are permitted to introduce evidence of plaintiff's alleged lost wage claim at this time.

III. CONCLUSION

For all the above reasons, defendants, Richard K. Bawuah and Cowen Equipment Leasing, request this Honorable Court to preclude plaintiff from using, referring to, or introducing any wage loss claims, as well as any testimony regarding same, at trial.
